

2nd International Symposium on New Energy Safety Science and Technology

Jul 17th - 19th, 2026 **Hefei**

Call for papers

The 2nd International Symposium on New Energy Safety Science and Technology will be held from **July 17-19, 2026, in Hefei**. The purpose of the conference is to showcase the latest achievements in the field of new energy safety and to explore cutting-edge issues in new energy safety science and technology. We warmly welcome experts in the field of new energy safety to join us!

1 Symposium committee

Academic Committee

Chair: Weicheng Fan (Tsinghua University), Minggao Ouyang (Tsinghua University), Laibin Zhang (China University of Petroleum Beijing), Jennifer X. Wen (University of Surrey, UK)

Vice-Chairs: Juncheng Jiang (Nanjing Tech University), Jun Deng (Xi'an University of Science and Technology), Jinhua Sun (University of Science and Technology of China)

Organizing Committee:

Chair: Naian Liu (University of Science and Technology of China)

Executive Chair: Qingsong Wang (University of Science and Technology of China)

2 Research Topics

Submissions are invited on the following topics:

- Battery Safety
- Hydrogen Safety
- Photovoltaic Safety
- Safety in New Power Systems
- Process Safety in the Low-Carbon Transformation of Traditional Energy
- Application of Artificial Intelligence (AI) in New Energy Safety
- Process Safety of New Energy Device Recycling
- Frontier Progress in Comprehensive New Energy Safety Science and Technology

3 Submission Requirements and Timeline

Online registration for the conference will open on **March 25, 2026**, and early bird registration will **end on June 20, 2026**. The registration link is: <https://newenergysafety2026.casconf.cn/register>.

Three types of submissions are available: full papers with the opportunity to be recommended for publication in indexed journals (*eTransportation* and *Journal of Loss Prevention in the Process Industries*), extended abstracts (for oral presentations at the conference), and poster presentations. Papers should be submitted to: <https://easychair.org/my2/conference?conf=inesst2026>.

The conference submission period will **start on March 25, 2026**, and **end at 24:00 (midnight) on June 10, 2026**. The admission and attendance results will be sent in batches, and all notifications will be sent no later than **June 20, 2026**. Detailed information about the sub-forums can be found on the conference website: <https://newenergysafety2026.casconf.cn>

4 Schedule and Registration

Conference Schedule:

- July 17 (Friday): All-day - conference registration; Afternoon - industrial forum
- July 18 (Saturday): Morning - opening ceremony and keynote speeches; Afternoon -subforum seminars
- July 19 (Sunday): Morning - subforum seminar + graduate student academic forum (Set up awards for the best paper and the best poster), closing ceremony

Registration

Official WeChat Account

Scan for Registration

Delegate Type	Registration Fees	
	Early Bird (Before June 30, 2026)	Standard (After July 1, 2026)
Teacher	2,100 CNY / person	2,500 CNY / person
Student	1,800 CNY / person	2,200 CNY / person
Other	2,100 CNY / person	2,500 CNY / person

Registration Fee

Bank Transfer Information

Participants are required to complete registration and arrange payment within the specified period. Payment can be made via bank transfer using the details below.

- **Bank Transfer Details**
BENEFICIARY: UNIVERSITY OF SCIENCE AND TECHNOLOGY OF CHINA
- **Foreign Currency Accounts:**
HKD Account: 185703468855
USD Account: 187203468859
JPY Account: 182703468857
BANKNAME: BANK OF CHINA HEFEI SHUSHAN BRANCH
SWIFT CODE: BKCHCNBJ780
- **RMB Account (Domestic Transfers Only):**
Account Name: University of Science and Technology of China
Account Number: 184203468850
Bank: Bank of China, Hefei Shushan Sub-branch Business Department
CNAPS Code: 1043 6100 3246
- **Important Notes**
Please ensure that the payment remarks include: “INESST 2026_Name”
For any inquiries regarding payment, please contact: +86-551-63607572.
